

About Us

Access Esperanza Clinics is the largest and oldest family planning agency along the south Texas border. We have provided high quality affordable health services in Hidalgo County for over 50 years and annually serve about 15,000 people.

Our Vision

All people in our community are empowered to plan their futures with access to preventive and sexual health care.

ACCESS

Esperanza Clinics

Our Mission

To provide education, advocacy, and affordable, high-quality health care services, so all can access preventive, sexual, and reproductive health care without judgment.

EDUCATING OUR COMMUNITY

2022 ANNUAL ACTIVITY REPORT

EDUCATIONAL PRESENTATIONS & TRAININGS

We **co-hosted** a workshop with the **Texas A&M Colonias Project** on preventive health recommendations and presented to **45** local promotoras.

Staff gave **69** educational presentations and trainings for **1,577** individuals.

EDUCATING UNIVERSITY AND VOCATIONAL SCHOOL STUDENTS

We're helping students prevent unintended pregnancies and stay healthy so they can reach their education and life goals!

We partnered with **UTRGV, STC, cosmetology** and other **vocational schools** to educate students on sexual and reproductive health.

COMMUNITY VOLUNTEERS

About **75** individuals each year help us prepare our community **education** and **outreach materials**.

Volunteers represent schools, clubs, and community members who want to make a difference.

ACCESS FOR SEX ED STUDENT CLUB

The Access for Sex Ed student club at UTRGV reached over **1,500** students in **outreach, presentations, and events**.

EMERGENCY CONTRACEPTION (SOMETIMES CALLED EC OR PLAN B)

About **3,200** people received **free emergency contraception kits** through our outreach efforts.

EC is one last chance to help people prevent a pregnancy they're not ready for.

WEEKLY FLEA MARKET OUTREACH

Weekly Flea Market Outreach in **Donna, Alton, and Alamo** reached **3,370** people needing family planning **services**.

SOCIAL MEDIA

Followers on our social media pages:
